Description:

Kelly Run Sanitation Landfill, Elizabeth PA Public Notice DATE OF THIS NOTICE: November 29, 2011
PURPOSE OF THIS NOTICE: The U. S. Environmental Protection Agency (EPA) is announcing its proposed decision (Statement of Basis) for environmental remediation of the Kelly Run Sanitation Landfill. The proposed remedy consists of operation, maintenance and monitoring of the landfill caps and groundwater monitoring system, and institutional controls to restrict activities at the facility. EPA is also issuing a draft permit for post-closure care of the facility. FACILITY DESCRIPTION: The facility is located at 1500 Hayden Blvd, Elizabeth, PA. It operates as a municipal waste landfill under a state issued operating permit. The facility also includes several fill areas that were closed under state oversight. INFORMATION AVAILABLE: Information regarding EPA's proposed decision and the draft permit is available at www.epa.gov/reg3wcmd/publicnotice_KellyRun.html. The Administrative Record, which contains all the information considered in EPA's proposed decision, is available at the EPA Region 3 office, 1650 Arch Street, Philadelphia, PA 19103. Office hours are Mon-Fri, 8 AM – 5 PM. For additional information, contact Maureen Essenthier, Project Manager, Mail Code 3LC30, at the EPA address given above; phone: 215-814-3416, Fax: 215-814-3113; or e-mail: essenthier.maureen@epa.gov COMMENT PROCESS: Persons wishing to comment on EPA's proposed decision or draft permit must submit comments to EPA within the 45 day comment period ending on January 13, 2012. Interested persons may also request a public hearing on this proposed remedy or draft permit. All comments and/or requests for a hearing must be submitted in writing via mail, fax, or e-mail to the EPA Project manager, Maureen Essenthier, as listed above. All comments will be considered in making a final decisions on the proposed remedy and permit. 5118170 (11/29/2011)
